Re: Report for NLLN Professional Engagement Award for the ALA Annual Conference, June 2010, Washington, D.C.

I want to sincerely thank you for the support through the Professional Engagement Award to attend the ALA Annual Conference in Washington, D.C. During this Annual, I was involved in a wide variety of activities which included attending ACRL's College Libraries Section Executive Committee Meeting as incoming Secretary, serving on LITA's Assessment and Research Committee, serving on ACRL's Assessment Committee, working in the ACRL Information Booth on the Convention Exhibit Floor as well as serving as a Reporter for *Cognotes*. I also am a member of two ACRL CLS Committees, Research In College Libraries and Leadership.

I am very pleased to have been voted in by the CLS membership as the Secretary for the section. I will be required to attend both the 2011 Midwinter Meeting and Annual Conference to fulfill my responsibilities. On LITA's Assessment and Research Committee, we continue to work on the assessment activities within the Division and I will personally be working on the next LITA membership survey with another committee member and we are in the process of finalizing that survey. On the ACRL Assessment Committee, we held we will be doing a lot of work to best determine how, through assessment and research activities, we might best serve the membership of ACRL. We are currently working on an Assessment Toolkit, and I will be assisting with organizing our program at ALA 2011 in New Orleans.

During the Washington, D.C. Annual Conference, I wrote the following stories:
